## Doggy Treats

Our dog treat Barkery is filled with dog treats that are handmade. They are a healthy alternative to processed commercial dog food and they look bark-a-licious too!

Our products are baked here in our kitchen and contain only human grade ingredients – with no artificial flavours or preservatives. We have so many flavours available, that even the fussiest of dogs will be sure to find something they adore.

**STEAK & MASH 10**

Let your furbaby have a tasty meal at the Café! This dish is sure to be a winner, dehydrated kangaroo, mashed sweet potato, shark cartilage and cinnamon. Not only is it super delicious, it is super nutritious for your furbaby too.

**DOG BEER 6**

Made right here in the FurBaby kitchen this Doggy Beer is sure to get their tails wagging! Why shouldn't they enjoy a refreshing drink? The Doggy Beer is non-alcoholic of course, but don't forget pawrents FurBaby Café is BYO alcohol if you wish!

**BARK-A-SUNDAE 6.5**

Who doesn't love a yoghurt sundae? Your furbaby doesn't have to miss out this summer as we have made one especially for them!

**PUPPY POPSCILE 4**

Is it a bit hot? Let your pooch try our coconut popsicle surrounding a delicious raw chicken neck.

Please Note: Not all furbabies are comfortable eating at a new place because there is a lot to see and smell at FurBaby Boutique & Café, their attention may not be as focused on their food as it should be.

If your furbaby prefers to eat at home, please tell one of our friendly staff and we can organise a take-away container for you.

## Daily Delights

Did you know that everything in our display fridge is made right here in the FurBaby kitchen?!

We pride ourselves on making everything here, fresh, with premium products just for you to enjoy!

So... if you don't feel like a big meal, but feel like something a bit smaller or something a bit sweet, please have a look in the daily delights fridge.
